Rx: CONTENT STRATEGY

Master's Student — Interactive Telecommunications, NYU Tisch

Sig; Currently studying interaction design, creative technology, games, and computation at NYU Tisch.

Teaching Assistant — Content Strategy — Fall 2026

Sig; Led class discussions on brand voice and audience research.

Content Strategist — 2022–Present

Sig; I create content strategy by finding the clearest idea, the right audience, and the format most likely to make them care.

Sig; Grew a TikTok audience to 28.9K, drove audience acquisition for original theatre productions, managed paid social budgets, and assisted with press outreach to journalists and critics in New York City and at the Edinburgh Fringe.

Experimental Artist — International — Always

Sig; Performance artist, playwright, interactive designer, and game maker. Currently experimenting at NYU and right now in your browser. Formerly at the Edinburgh Fringe Festival and Fordham University.
